OSU FIGURE SKATING CLUB INFORMATION

The OSU Figure Skating Club (OSU FSC) is a student organization that promotes the sport of figure skating. Membership is open to skaters of all levels and disciplines within the realm of figure skating. All members must be students, faculty, staff, or alumni of The Ohio State University. You are not required to tryout to become a member of our club. Club members can skate individually or tryout to skate on our synchronized skating team!

Where do we skate? The Ohio State University Ice Rink, located at 390 Woody Hayes Drive, next to St. John's Arena.

What do we do? Socials, community service events, exhibitions, collegiate competitions and fundraisers to cover skating related expenses. This year we are having hockey clinics, dinner socials, ice cream outings, playing intramural hockey, attending OSU hockey games, and much more!

How to join? Contact an officer! Membership for the year allows you to skate on club ice. Only those who are member of the OSU FSC and the USFS may contract club ice time. We do allow guests and beginners to 'walk-on' club ice. Club ice runs every Tuesday from 6:45-8:00 pm. We have volunteer coaches for anyone interested in lessons. All skaters are responsible for supplying their own skating equipment. Skates can be rented from the OSU ice rink for a small fee. Contact best.99@osu.edu with questions!
